useful set of the sayings of prophet Mohamed PBUH. Each saying is almost always on one full page and is
explained in a simple way for our kids to easily read on their own if they are good at Arabic. It also contains some of
the sayings which are popular in our culture however are not authentic saying prophet of Prophet Mohamed PBUH to
be aware of them. Finally, the book also contains very nice exercises at the end of each group of sayings to test the
child's knowledge after reading the past pages. A must have book for your kids.Besides, you can read the full book on
